

Water Path – English Dialogue List

Mother:

Nicole! Nicole, daughter. Please go and bring me water from the spring. Make sure it's from the spring and not from the pond 'cause I don't want to find anything strange in the water. Go girl, don't delay!

Nicole:

Yes, ma'am.

Man on the path:

Little girl give me some water.

Nicole:

No. It's for my mother.

Man on the path:

Give it to me, I'm thirsty. Don't you see I'm crippled? I can't walk. But you have good feet to go for more. Give it here! I'm thirsty!

Nicole:

Mom, I'm here with the water.
